Looking for an original factory cover for my K-150-8 SC 4-10 combo. Also been looking for covers for my Kasino Natural Bass head and cab. Please reply back here as I'll be checking back routinely. Thanks!

Do a search on the site and there is a link to a place that will make you brand spankin new ones very reasonable. For some of the old ones you will pay half to two thirds of what you can get a new one made for you.

<http://www.amplifiercovers.com/kustom1.html> Is the site a lot of the Kustom collectors use. 50.00 for a new cover.
