I have a 1972 250 3-15B-1 blue cascade sparkle tuck and roll head and cabinet in near perfect condition.No tears,burns or rips!!! Everything has just been cleaned and checked out by a certified tech. Three 15" jensens that sound great. This amp is very clean and in top working order.Made in Chanute,Kansas (Ross).I no longer play bass and need to make room in my den for other equipment. I tried to post this in the for sale ads but i had no luck!! Again this is an excellent looking and sounding amp. Asking 500.00 plus actual shipping costs. I live near Toledo,Ohio. mbholtsberry@embarqmail.com Thanks. Mike.
