Just picked up a gold Frankie to hang with his silver buddy...  
Oh man I like the gold sparkle. Needs a couple of odds and ends  
but.....sweet score and the price was right at an auction.

The Gang; (so far..)  
Gold Frankie (new)  
Siver C495 Frankie#2921 with cab w/no ports  
Cascade K25  
Charcoal K300PA and columns  
Black 150 and cab

and the beat goes on.....

Thanks guys not really "actively" looking for more but.....  
if a guy happens upon a good deal...HA!!!  
Appears a red and blue might stagger home some day.....  
I do love me some Frankies though...hell might even learn  
more than three chords....  
Slowly rockin' on,  
Yooperdan
