What does a 1968 grill logo say?

By Ross or Electronics Inc?

I assume the by Ross logo are much more scarce.

Thanks,

I am sure that the grill logo on a 1968 cabinet would say Kustom by Ross.

Basically Kustom starting putting serial numbers on speaker cabinets starting approx October 1969.

Kustom by Ross speaker cabinet production ended sometime around that time period, so it is possible that October 1969 is when Kustom Electronics speaker cabinets started.

Kustom by Ross speaker cabinets were made well after Ross amp heads production had ended.

Timeline

Ross amp heads production - 1966 to May 1968

Kustom by Ross speaker cabinets - 1966 to October 1969

Kustom Electronics speaker cabinets - November 1969 to December 1973

Thanks LesS,

I'm sure mines a 68 by looking up the serial number. I bet its going to be hard to find a logo plate "by Ross"

They may be scarce, but not completely unavailable. I got pretty lucky finding a very nice example on e-bay recently.
