In case anyone is in western WI or eastern MN and is interested, I have a Kustom K100-1 in Charcoal T&R, and the 2x12 cab is unloaded. original hardware (handles, caster, etc.) and T&R is in excellent condition (no tears, very minimal wear). Amp works great. PM me for the pics, etc. or you can find it on the la crosse, wi craigslist page.

Price is \$350 OBO. Not interested in shipping, but would be open to meeting nearby. PM with questions/offers.

thanks!  
John
