I have two excellent condition K100's for sale. Email for pics and details. Both are beautiful with no tears or burns. Have covers and Kustom aluminum box footswitch. Reverb and tremolo are excellent on blue one with CTS speakers. Black 1-15 is a 2 channel basic normal bright head with a kick butt 15" 300 watt Eminence Commonwealth equivalent to D130 JBL. All ball casters and handles in great shape. Asking 650 for black and 950 for blue seperately or 1500 for the pair. Collector quality.
