OK guys ~ There is a Bob Evans about half a mile from the Hotel. Sound good for Saturday Breakfast? I will be driving down real late Thursday - Sleeping in a bit and loading in Friday - I think Don is doing the same! E-mail me and I'll get you my cell # and we can all get our schedules together. But how's 8:30 sound at the restaurant Saturday Morning? Jc

I should be arriving mid-afternoon on Fri - maybe time for the load-in and then help with some of that cold beer. RC
