I found a super clean tuck and roll silver or white sparkle 200 bass amp and matching cab{ 2 15} . It looks almost like new. Might be a late 60s or early 70s. The guy will take about \$450 or \$400 for it. Is this is good deal? It has no tears or nothing. gorgeous

Hey Adam

Make sure you check for any signs of discoloring.

It is a really good deal if it has upgraded speakers (JBL, Altec, EV, etc.)

Wondering what became of the aforementioned K200? I need a 2 x15 cabinet-Black to match my K-200B-4, but a complete rig would do! Thanks
