There is a black one listed with Guitar Center that has been there for several months.....check it out. Just search Kustom and all the listing will show up across the country.

Thank you That Kustom is a 1L It is a 30 watt amp with 1 12". The Kustom II is Kustom's answer to the Twin Reverb--60-100 Watts with 2 12" celestion speakers

Thank for your reply
