Hi I have a Zebrawood K200 Guitar in fabulous condition listed on Ebay right now. It ends Friday. I don't have enough posts to post a link.

Includes the original Kustom case. I have had the guitar for about 25 years.

I also have a Wineburst K200 in great conition with original case. I have had it for about the same number of years. If interested I would be happy to email pics.

I don't see you guitars listed under musical instruments. The Kustom guitars I see are in New York and Arizona.

Mine is the Arizona one. We live 1/2 the year in Arizona and the rest in Missouri. Since I am shipping it from Arizona, I listed that address. Quantrills is my Ebay name. If you have any questions on it, let me know. The Wineburst Guitar is not listed on Ebay. Thanks for the interest.
