I hope this isn't the start of a problem- i saw my first kustom in a music store a week and a half ago and i bought it-never saw one in a store before-now this week the music store i always go to has a Kustom 100 and 2x12 cabinet black tuck-n-roll and that was the only thing i looked at the whole time i was there (please tell me this won't turn into a major health problem)-

anyway i can't buy it but if anyone is interested i took some notes about it if anyone is interested it is in savage Minnesota

jeff in minneapolis, MN

Happy to hear the details on the Black 100, particularly speakers and condition of cab.

Dan

I didn't get a chance to try it out-
i didn't see any tears in the tuck-n-roll it was missing 1 handle- it appeared to be in really good condition-it is on consignment at lavonnes music in savage MN for \$350-
