I wish to give my collection (free) to someone who appreciates and is into vintage Kustom gear. I'm retired and need the space and have moved on to other hobbies etc. I have two 2x15 cabs, one is black and one is charcoal. there is one black "franky" head, one black 250 bass head, one charcoal PA head. There are some cab and amp covers as well. I worked away from home for several years and have them in storage. It all worked a couple of years ago. if interested text me at (270) 945 8902. if you call leave message, because I don't answer numbers I don't recognize. Gear is located in western, Kentucky
Thanks, BW
