I've got the FEVER! I just have to get a Kustom combo...any single 12" or 2 10", any color sparkle....but, I need to sell my MINT Peavey T-60 to do it. So, help anyone out there. If you know of someone who collects/wants to buy these great guitars....let me know. Or, if you know of someone selling or wanting to trade their combo...let me know. 803 345-6052, or krwilkes@earthlink.net.....THANX. HOPE TO BE PART OF THIS GREAT KUSTOM GROUP!

Woody96, weather or not you have a kustom yet, is of little matter, you have the fever and thats the first sign. I'd bet that by years end, you will have several. Like pringles, you just can't stop at one. Good luck. Don

Put it on ebay with your first bid price as the amount that you got to have for it! People buy them on ebay all the time! They are nice guitars, I've owned 5-6 of them since they first came out! And the T-40's too!
