Just throwing a feeler out to see if anyone would be interested in the original vinyl cover - original 1971 CTS speakers - handles - ball wheels - emblem. I have an eBay account and paypal account. Over 500 transactions/fb rated 100%. I'm not a dealer. Sell stuff for friends and suffer from G.A.S. (gear acquisition syndrome) There are pictures up on CL and if interested I will send you the link. Make an offer but I'm not in a hurry to sell. It's not doing anyone any good sitting in the garage. Rock on.
