I'm relocating in spring so I must sell most of my gear.

1-k150 4x10 combo blk T&R with an original Kustom cover.

pots say 1970 and speakers say 78 \$450

2-Kustom Lead-I 1x12 combo. \$150

3-Kustom III head 120 watts. works but channel 1 clips sometimes, comes with a "parts" head same model. \$150

4 K200 B-4 2x15x15" horn, cascade stack with later "250" footswitches (my wife posted this earlier) \$1200

5-K200 A-4 charcoal head and cab, Head is non-working but is all there I believe. Cab came with Jensens but has JBL's in it now.

6-K200 B-2 White sparkle head, channel 1 non-working \$150.

Other various heads, still sorting things out for sale.

I'm having trouble posting pics here so if anyone is interested, I'm happy to answer questions and email pics. I live in South Jersey Deptford area. Dont want to ship and cant take Paypal. Will negotiate if buying more than one item or reasonable offers. Thanks, jon

Hi, do you have a K50 combo? Also, would you sell the cover to the 4 x 10 Kustom? I have a gold 4 x 10, but no cover. Last, do you have any loose Kustom cabinet casters? guitar.player34@yahoo.com. Please let me know. Thank you, dt
